INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with the duty of disclosure under 37 C.F.R. §1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the documents which are listed on the attached Form PTO-1449, and which the Examiner may deem relevant to patentability of the claims of the above-identified application.

Enclosed are copies of Foreign Patents and "Other" documents listed on attached Form PTO-1449. Applicants have not enclosed copies of the U.S. cited references, but copies will be supplied upon request.

The present Information Disclosure Statement is being filed no later than three months from the application's filing date or before the mailing date of the first office action on the merits (whichever is later), and therefore no certification under 37 C.F.R. §1.97(e) or fee under 37 C.F.R. §1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

Applicants believe that no fee is required for the filing of this document. However, if any fees are due, the Commissioner is hereby authorized to charge such fee to our Deposit Account No. 12-2275.

Respectfully submitted,

THE LUBRIZOL CORPORATION
